## Received Gold Ranking in the 2023 Gomez IR Site Rankings

Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo; president: YAGI Shinsuke) announces that the company has won the Gold Ranking in the 2023 Gomez IR Site Rankings, selected by BroadBand Security, Inc.(BBSec).

Analysts at BBSec rank websites of all listed companies in Japan from an investor's perspective based on their ease of use, the thoroughness of their financial and accounting information, the detail of their company and management information, and the extent of their transparency and information disclosure. 319 companies were selected as award recipients this year (Gold Ranking: 39 companies, Silver Ranking: 141 companies, Bronze Ranking: 139 companies).

We will continue to improve its website and help stakeholders gain a deeper understanding of our activities.
